The Brighton Health Clinic for Kids collects information from you regarding your child for the primary purpose of providing quality health care. We ask you about you and your child's personal details and medical history so that we may properly assess, diagnose, treat and be proactive in your child's' health care needs.

This means we will use the information you provide in the following ways:

- Administration purposes in running our medical practice
- Billing purposes, including compliance with Medicare and Health Insurance Commission requirements
- Disclose to others involved in your child's health care, including treating doctors and specialists outside this medical practice. This may occur through referral to other doctors, or for medical tests and in reports or results returned to us following the referrals.
- Disclosure to other doctors in the practice, locums, and medical students and by Registrars attached to the practice for the purpose of patient care and teaching.
- We may also need to communicate with teachers, allied health providers and other professionals involved with your child.

Please let us know if you do not want your records accessed for these purposes. This will be noted accordingly.

- In an emergency situation where it is in the best interest of your child's health care we would disclose appropriate information if requested to do so.

PARENT/GUARDIAN ACKNOWLEDGEMENT

I have read the information above and understand the reasons why this information must be collected. I am also aware that this practice has a privacy policy on handling patient information.

I understand that I am not obliged to provide any information requested of me, but that my failure to do so might compromise the quality of the health care and treatment given to my child.

I am aware of my right to access the information collected about my child, except in some circumstances where access might legitimately be withheld. I understand I will be given an explanation in these circumstances.

I understand that if my information is to be used for any other purpose other than set out above; my further consent will be obtained.

I consent to the handling of my information by this practice for the purposes set out above, subject to any limitation on access or disclose that I notify the practice of.

I agree to receive clinic's appointment reminders with SMS, email or to link with patient's portal (if any).

I agree to abide by the following practice procedures:

It is my responsibility to make sure I have a current/valid referral from my GP for each visit to be eligible to claim Medicare rebates as also it is clinically important for our doctors to have the information they need.

If I fail to attend an appointment and/or do not give more than 72 hours' notice of my cancellation, I may be charged a non-attendance fee as per clinic's policy from 50% - 100% of the consultation fees.

My child must be in attendance at all appointments (if not, a Medicare rebate is not claimable)

I understand that the cost of the consultation is above the Medicare schedule fee, which means that I will incur an out of pocket expense and I am responsible for payment of all services rendered on my behalf and on behalf of my dependents regardless of the length of the consultation. I agree to pay the account in full at the time of the consultation as per table below.

I am aware and consent that I am responsible to supervise my children whilst we are attending in the clinic and the clinic is not responsible for any injuries or threats accrued.

I have read this form before accepting/signing all above terms and conditions and a member of staff has, at my request, clarified aspects of it that I have not understood.
